UNION COUNTY PUBLIC LIBRARY IS AMAZING!

It is the busiest of the four libraries in the Mountain Regional Library System, handling more than 50% of the total regional circulation. The library averages 6,500 patrons per month.

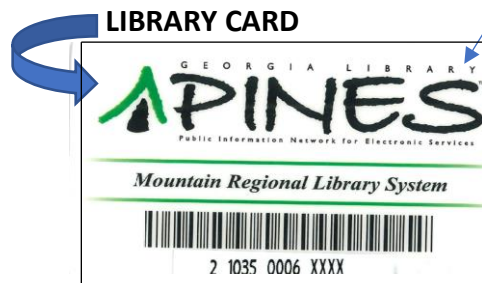

In 2010, it underwent a multi-million-dollar renovation, to which the Friends contributed over \$30,000 toward furnishings. Union County Public Library is a beautiful 12,300-square-foot facility in the heart of Blairsville.

Through ongoing fundraising activities, the Friends provide quarterly financial support to Union County Public Library. These funds augment the library's budget. Some of the additional purchases made include:

- Books for children and young adults
- Children's summer reading programs and prizes
- Periodicals and newspapers
