

## Friends of Union County Library Sponsor Adult Summer Reading Program

'Cause Having Fun Isn't Hard When You Have a Library Card!

Libraries Rock! is the 2018 public library summer reading theme for all age levels. This year the Friends of Union County Library (FOUCL) are sponsoring an **Adult Summer Reading Program**. It will run from June 1 through August 23, 2018 and any adult with a PINES library card may participate.

The following book titles have something in common: “The Year the Lights Came On” by Terry Kay; “Magpie Murders: A Novel” by Anthony Horowitz; “Does the Noise in My Head Bother You?: A Rock ‘N’ Roll Memoir” by Steven Tyler; and “33 Men: Inside the Miraculous Survival and Dramatic Rescue of the Chilean Miners” by Jonathan Franklin. These and hundreds more fit the titles and suggested categories FOUCL is recommending for adults this summer, with a special emphasis on music, geology and Georgia authors – because Georgia authors rock!

Join the summer fun beginning June 1 by picking up a packet of information, including reading logs and all the details, in the three-tiered paper organizer outside the Friends Room at the library. Complete six titles over almost three months from books, audiobooks, or digital downloads; return your log(s) to the box outside the Friends Room no later than August 23; and become eligible to win a prize.

Some of the funds from our recent book and bake sale were earmarked for this FOUCL-sponsored Adult Summer Reading Program. In addition, we thank the following businesses for their generous donations: Sunflowers Antiques and Interiors, Home Depot, Alexander’s Store Inc., Pat’s Hallmark Shop, and Chick-fil-A. More prizes include certificates redeemable for books from Union County Public Library’s Bookstore.

FOUCL have been supporting Union County Public Library for over twenty years. One of the ways we do that is by contributing to the great children’s summer programming – to get more information about those programs get the handout at the library, pick up the Mountain Regional Summer Newsletter, or visit this website: [mountainregionallibrary.org](http://mountainregionallibrary.org). The library can help make your summer special, no matter what your age, because Libraries Rock!
