

## **FOUCL to hold Spring Bake Sale on May 10**

Once again, Friends of Union County Library (FOUCL) members are hard at work preparing a variety of baked goods, mixes, and other treats in anticipation of their Spring Bake Sale, scheduled for Friday, May 10, from 10 a.m. until 2 p.m. in the Community Room at the Union County Public Library, 303 Hunt Martin Street, Blairsville. The public is invited to take advantage of this opportunity to purchase a special dessert for Mother's Day or to pick up a treat just to enjoy.

Cakes, cookies, pies, breads, and other homemade foods, to include gluten-free treats, dressings, and dips will be offered for sale. A portion of the proceeds from the sale will support the library's purchase of two CDs of all available editions of *Mountain Echoes*, the Union County High School yearbook. FOUCL members are asked to contribute baked goods or other appropriate foods for the sale; members of the public are also invited to contribute goodies to the effort. Baked goods should be delivered to the library's community room on Thursday afternoon, May 9, between 2 and 5 p.m. Cash contributions are also appreciated in lieu of baking.

FOUCL supports library programs such as the Summer Reading Program for children. FOUCL also holds activities for members and the public such as the Winter Adult Reading program, which wrapped up for the season on April 26; local author discussions, and presentations such as "Travel Tricks and Tips," presented by Gail Day, scheduled for Wednesday, May 15, at 2 p.m. in the library's Community Room.

Friends of Union County Library, a nonprofit 501(c)3 organization of volunteers, has been supporting the library for nearly 25 years and welcomes new members at any time. Membership meetings are held quarterly and are open to all Friends members and members of the public interested in the library. Membership forms and information are available at the library or from the FOUCL website at [www.foucl.org](http://www.foucl.org).
