

May 10 Bake Sale Helps Support Union County Public Library

FOUCL Member Baked Cakes for Sale

Friends of Union County Library (FOUCL) are delighted to offer cookies, cakes, pies, breads, brownies, and other delicious treats to the public in the Community Room at Union County Public Library. This bake sale is scheduled for the Friday before Mother's Day, May 10, so you can purchase baked goods to add to your Mother's Day celebration. Please plan to stop by from 10:00 AM until 2:00 PM to make a purchase and come early if you can because we sometimes sell out before closing time.

We are also asking for donations of home-made bakery to sell and will be in the Community Room on Thursday, May 9, from 2:00 until 5:00 PM to receive what you have baked.

The library's Summer Reading Program is supplemented every year with funds FOUCL raises so please give generously. This is only one of the ways our fundraisers and membership dues benefit Union County Public Library. If the library tells us they have a need, or a wish, FOUCL tries to fulfill it.

Visit Mountain Regional Library System website to find out more about everything going on this summer at our library (www.mountainlibrary.com) and visit our website (www.foucl.org) to find out more about us.
